EVERYBODY GOES A RACING

NEW ORLEANS FOLKS TURN OUT IN THOU-SANDS TO HONOR LADIES' DAY.

J. J. Lillis Runs a Mile in 1:37% and Makes a New Track Record-Lucky R. Also a Record Maker.

New Orleans, La., January 11.—Record-breaking racing weather, ideal conditions for the sport generally and the largest crowd ever seen at the Fair Grounds were outstanding features of ladies' day this afternoon. Never before had there been such a large gathering of femininity to view the sport. The women occupied every vantage point of the huge grandstand, lawn and steps. The men were forced to shift as best they could and most of them sought the infield and paddock lawn to get occasional glimpses of the running horses. The Palm Garden was a seething, sweltering mass of humanity, but withal good-natured and all anxiously bent on securing the best of the odds from the individual price quoters. The number of stakeholders remained at 190.

The mile handicap furnished a surprise in the victory of J. J. Lillis over Indolence, with the favorite, Hanovia in third place. The performance of J. J. Lillis was a sterling one, for he reduced the track record of 1:38%, formerly held by Bayberry Candle to 1:37%.

Another track record was reduced when Lucky R. ran one mile and twenty yards in 1:40%. The record previously was 1:40%.

Upsets were numerous during the afternoon, the first five choices going down to defeat. P. M. Civil furnished two of the beaten choices in Mockery and Hanovia. The former after his defeat was claimed by J. B. Kossuth for \$700.

About the worst setback that the talent experienced during the afternoon came with the defeat of El Pato in the fifth race, which was won by Sureon, an extreme outsider over Laird o'Kirkcaldy and Gerrard. Bertodano's success in the second was not wholly unexpected, for he has been showing consistently good form in all his starts.

The opener allowed, the Clara Morgan connections to reap a good harvest.

J. C. Yeager and Walter Barringer were arrivals last night from Havana and will remain for the rest of the meeting.

C. W. Clark, whose horses are trained by John Lowe, will arrive from San Mateo, Cal., on Saturday with a party of seven and remain for some time.

C. W. Clark, whose horses are trained by John Lowe, will arrive from San Mateo, Cal., on Saturday with a party of seven and remain for some time.

After La Mode was beaten in the second race she reverted back to her former owner, who claimed her through an agent for \$700.

CURRENT NOTES OF THE TURF.

Eleven bookmakers are laying odds at Tia Jubrose Dunn of San Francisco is the latest to be ranks of the layers there.

For the Tia Juana meeting it is claimed that there are daily arrivals of horses and that close to four hundred are now at the track.

Fred Foster has shipped Tiajan, Galeswinthe, Volant and Ataka from New Orleans to Havana to join the rest of G. A. Alexandra's horses at Oriental Park.

Park.

Information has been received at New Orleans of the death of Herman Moesel, who left there recently in a bad way for his home in Brooklyn. Moesel at one time rode for R. E. Watkins, and also campaigned several horses owned by himself, including Working Lad. He died shortly after including Wor reaching home.

reaching home.

Horsemen at the Juarez track seem highly pleased with the new rule which prohibits the claiming of a beaten horse in a selling race. This rule was passed because of the activity of "gypsies" racing there, who would claim a horse out of one of the \$200 top and bottom races and immediately depart for Tia Juana. It is claimed that in several instances the horsemen did not have money enough to claim a horse, and that the funds were furnished by persons directly interested in the Tia Juana plant.

ANSWERS TO QUERIES.

L. W., Grand Rapids, Mich. The return should have been \$12.50.

G. E. R., Oakland, Cal. It is not hard to approximate the sales and probable prices at the tracks where only the mutuels are sold.

NEW YORK MUCH THE BETTER MARKET.

Paris Sales Show Mackay Was Shrewd in Selling His Yearlings in Gotham.

By Ed. Cole.

By Ed. Cole.

New York, January 11.—Clarence H. Mackay calculated well when he decided to ship his young horses from France to this country for sale. At a recent disposal sale of horses at Cherl's Mart, in Neuilly, France, the prices realized could not be compared with those obtained in this country at the recent sale at Durland's of the Mackay imported horses. The highest price at Cherl's was \$3,200 paid by Signor F. Tesio, an Italian buyer, who gave that sum for Pavlov, a filly by Rock Sand—Zambelli, the dam being the offspring of the great Flying Fox or Ajax, and the granddam of the filly La Carmago. a frequent stake winner. Many of the offerings at the French sale were bought in by their owners, owing to the exceedingly low prices offered for them, one being quoted as low as \$35. Signor Tesio also bought a colt by Sundridge out of Cockatice for \$1,640 and a filly by the great Cyllene was bid in for \$3,180. Considering the fact that the Sundridge colt brought here by Mr. Mackay brought \$6,600 it can truthfully be asserted that the war has played havoc with the thoroughbred interests in Europe and the result of the Cheri sale will no doubt be the incentive for many more horses being sent here for disposal before summer racing begins in this country.

Notwithstanding dillgent efforts to ascertain the

be the incentive for many more horses being sent here for disposal before summer racing begins in this country.

Notwithstanding diligent efforts to ascertain the purchaser of the eighteen yearlings brought here by August Belmont from abroad, his identity has not yet been learned. Some believe the purchaser is Gifford A. Cochran, but this is not probable as he already has about forty horses in his stable. W. K. Vanderbilt has been mentioned as the buyer, yet this suggestion is not taken seriously. It is known that W. L. Powers negotiated the deal and will not talk on the subject. It is not likely the mystery will be cleared up until Mr. Belmont returns from the south this week or next.

If ever there was a racing enthusiast it is Gifford A. Cochran. He has been likened to the late Pierre Lorillard in that respect. Since Mr. Cochran has become an owner of horses he has expended time and money lavishly to get the best and no owner gets more pleasure out of the winning of a race than does Mr. Cochran His success at New Orleans this winter has given him pronounced satisfaction. Mr. Cochran sent to New Orleans only such of his two-year-olds as seemed unworthy of stake conditions. He will be an extensive breeder later on. This intention influenced him in buying so many young fillies so that his breeding establishment will be well stocked when the time arrives for extended operations. It is the prediction of old-time horsemen here that Mr. Cochran will take first rank among the thoroughbred enthusiasts of this country in the near future.

thoroughbred enthusiasts of this country in the near ruture.

While race-goers here would like to see racing begin about May 1 this year, it is not probable their wishes will be gratified. In discussing the matter one of the authorities of the turf said: "Maryland's rights must be respected, and while the sport on the tracks hereabouts may begin earlier than it did last year, it can hardly be expected to begin as early as May 1, much as such an arrangement would be appreciated by horsemen and race-goers. The question of dates will not come before the Jockey Club stewards until their February meeting, but it is safe to say that racing will not begin as early as May 1 or close late in September, though there may be a few days added to the number scheduled last year."

Jesse Lewisohn is wintering in town for the time being, but will move on south or west in the near future. His friends will be glad to learn he is much improved in health.

SHORT PRICES LAID AT JUAREZ.

Commenting on various features of the present meeting at Juarez. Walter H. Pearce said in a letter to the Louisville Courier-Journal of Tuesday: "Long shots have not been successful at this meeting, but the 'pikers' continue to hope against hope that some afternoon they will be able to put an 'eagle bird' over the plate. It seems impossible to secure better than 8 to 1 against any horse that stands a possible chance. Izzy Ham, who had charge of the ring last year, was known as the original 'tight wad,' but he takes a back seat when compared with Frank Shannon, now in charge of affairs.

compared with Frank Shannon, now in charge of affairs.

"It must be admitted that Shannon is an expert handicapper and a fair price maker. He figures what the prices should be each morning and then cuts the prices in half. Any time a horse is as good as 20 to 1 it is certain that he should be at least 100 to 1.

"Bookmaker Shannon is an interesting character.

"Bookmaker Shannon is an interesting character. He hails from Gallatin, Tenn., and has been around the tracks for many years. He is a student of human nature, as is best explained by the follow-ing remarks."

the tracks for many years. He is a student of human nature, as is best explained by the following remarks:

"'Why give odds of 10 to 1 against a horse when you know that the player will take 5 to 1 if he likes the animal. A book should be conducted on the same principles as any other business. Postage stamps sell for a cent, two cents, etc., and you cay't get any reduction at the cut-rate stores, but Christmas comes but once a year, so don't be giving away presents to a lot of 'suckers'. It makes no difference in the long run, however, for even if the race player gets that to which he is entitled, he is going broke in the long run, and one should not be so cruel as to prolong the agony. Break the player as soon as you can and put him out of his misery.'

"It might be added that bookmaker Shannon has put a lot of people out of their misery at Juarez this winter. It would be difficult to find many regulars with the price of a meal. When you are forced to take 1 to 2 against borses which figure to be as good as even money or better it is certain that the old bankroll won't last long."

OTHELLO EQUALS A TRACK RECORD.

Havana, Cuba, January 11.—Jefferson Livingston's fast sprinter Othello accounted for today's feature at Oriental Park, when he beat a band of the best horses here in the three-quarters selling handicap. Othello was ridden by Turner, made an extremely fast pace and won easily. Incidentally he equalled the track record of 1:11%. Mose Goldblatt also saddled the winner of the fifth race in First Degree.

Fred Foster was an arrival from New Orleans with the division of the stable that G. A. Alexandra was racing at the Fair Grounds. He reports that fifty horses will leave New Orleans for Havana on Saturday next.

Logan Denny has purchased the plater Ball Band from Mose Goldblatt.

W. C. Edwards, secretary of the Metropolitan Jockey Club, was an arrival today.

WILHITE RUNS AN EXCELLENT RACE.

El Paso, Tex., January 11.—Today's races at Juarez were run with an extremely high wind blowing. In the five and a half furlongs handicap that served as the day's feature, Wilhite was asked to carry 128 pounds and might have done it successfully but for being cut of when Hunt tried to get through with him along the rail in the stretch. In spite of pulling up and going to the outside, Wilhite was beaten less than a length by Loftus, which had been leading all the way.

BULLAWARRA RETURNS TO HIS HOME.

Another big batch of horses has been despatched to Australia, among them being the 'chaser, Bullawarra, which came over here with a view to winning the Grand National. So far from accomplishing his mission, however, the gelding, which was ridden by the Anglo-French jockey C. Hawkins, came to grief at the water jump in front of the stands after having occupied a prominent position at "Beecher's" and "Valentine's." By way of preliminary to the great Aintree contest, Bullawarra, which had been placed under Escott's Charge at Lewes, had run three times, first of all being unplaced to Silver Top in the Uxbridge Handleap at Kempton Park. He improved on this to the extent of finishing a creditable third to Ally Sloper and Alfred Noble, to which he was conceding seventeen and four pounds respectively, for the Grandy Handicap at Sandown Park, but he made rather a one of the Hurst Park fences when contesting the Champion Steeplechase against Balscadden. After the Grand National, Bullawarra was well backed for the Lancashire Steeplechase at Manchester, but the best he could do was to finish sixth. The gelding therefore goes back to his native land without having done anything to justify the high hopes with which he set out.

Another notable animal in the Australian contingent just alluded to is the three-year-old, Gadabout, half-bother, by St. Denis, to Cylgad. He was bought at the Newmarket sales for 1,500 guineas by Mr. Arthur Portman on behalf of a wealthy sportsman, Mr. Yuill, and will doubtless show his new owner a handsome profit at the stud, whether he ever races again or not. At the Craven meeting he won the Column Produce Stakes of 758 sovereigns and, as he afterwards finished fourth for the Two Thousand Guineas, third for the Jockey Club Stakes, and again third for the Jockey Club Stakes, and again third for the Jockey Club Stakes, and again third for the Free Profit at the stud, whether he ever races again or not. At the Craven meeting he won the Column Produce Stakes of 758 sovereigns and, as he afterwards fin
